

HOME AND ABROAD.

Good Blood Ensures Good Health
and Hood's Sarsaparilla En-
sures Both.

It is the duty of every one, whether at home or travelling for pleasure or business to equip himself with remedies which will keep up strength and prevent illness, and cure such ills as are liable to come upon all in everyday life. For instance, Hood's Sarsaparilla as a general tonic, and to keep the blood pure and less liable to absorb the germs of disease, will be well nigh invaluable. Change of drinking water often causes serious trouble, especially if one has been used to spring water in the country. From a few drops to a teaspoonful of Hood's Sarsaparilla in a tumbler of water will prevent the water having any injurious effect.

We earnestly advise all to include in your medicine package a box of Hood's Pills. They cause no discomfort, no disturbance, no loss of sleep, but assist the digestive organs, so that satisfactory results are effected in a perfectly natural and regular manner. Although Hood's Pills are silent in operation they are nevertheless certain in their effect. It is surprising how great relief may be gained from Hood's Pills when you are suffering from sick headache or that languid misery caused by the system being in bad shape from inactive liver, improper food or poor digestion.

For a dentifrice there is nothing superior to Hood's Tooth Powder, which is put up in handsome bottles of convenient size and shape, with a patented metallic cap which prevents waste or loss of the powder.

Hood's Olive Ointment will also be found of very great value for cuts, burns, bruises, to remove sunburn, and for corns, which are sure to be so numerous and so troublesome.

Equipped with the excellent remedies named above, you will be so thoroughly protected that there need be no anxiety about your health.

REMARK BY THE DOCTORS.

George Burns is Not Now Composed
of His Original Parts.

An odd character is now in Winona, being that of George Burns, who has good reason for his eccentricity. He has papers which show that he was head engineer on the steamer City of Savannah, which was wrecked on the coast of Massachusetts on January 18, 1884, while en route from Boston to Florida. He was reversing the levers when the steamer struck the rocks, and he thrown into the machinery, receiving injuries which crippled him for life. There were 115 lives lost in the accident, and Burns is one of the thirty-seven survivors. For a long while he lay on a cot in the death row of Bellevue Hospital, New York. Dr. Hayes Agnew attended his case, and removed five ribs from his left side and trephined his skull, using six ounces of silver for this purpose. He was compelled to wear a plaster of paris jacket for four years after the accident. A portion of the lower end of the spine and both elbow joints are gone. One knee cap is on the back of the leg, and his heart is on the extreme right side of his body. He is now 61 years of age, and walks very well and has a cheerful disposition. He is a member of the Grand Army of the Republic, and served during the war on the gunboat which was stationed at Cairo during the early days of the Rebellion.—Minneapolis Tribune.

The State of Illinois is one of the wealthiest of the Western States, its valuation reaching \$786,616,394.

A Sound Basis.

The testimonial published by the proprietors of Hood's Sarsaparilla are not purchased, nor are they written up in their office, nor are they from their employees, but they are facts from truthful and grateful people, who are reliable and as worthy of confidence as if they came from your most trusted neighbor.

Hood's Pills are the best family cathartic and liver medicine. Harmless, reliable, sure. —111—

Relief from Hood's Sarsaparilla
Wonderful and Permanent.

"I had kidney trouble and severe pains in my back, which was brought about by a cold contracted while in camp at Linfield in 1862. Last spring I had an attack of the grip, which left me with

your home and take delight in working about it in your spare moments, so as to keep everything tidy?

If you do, you ought always to have some of HALL'S COTTAGE PAINTS about the place, as a brushful in time, here and there, now and again, will save the expense of a general painting for a long time.

Hall's Cottage Paint will outlast Lead and Oil Paint mixed by hand, and from its combination and method of manufacture, it is especially adapted to stand the salt atmosphere, and for painting in tropical climates. One gallon of Hall's Cottage Paint will cover 600 feet of ordinary hard surface, one coat, and 300 square feet two coats.

This Paint is made of PURE WHITE LEAD, PURE OXIDE OF ZINC, PURE COLORS, PURE LINSEED OIL and DRYERS, all of which are ground under the supervision of a practical painter, with the latest improved mills, mixers, and other labor-saving paint machinery, which thoroughly mix up the raw materials without waste, thus giving to the consumer a PERFECT PAINT, which cannot be surpassed for durability and appearance.

We have these paints in 24 shades, and they are put up in gallon, half gallon, quart and one pound tins.

Our Navy Floor and Deck Paint is the proper thing to use on your floors. A floor to wear well, and look well, must harden through from foundation to surface. Therefore, insist on Navy Floor and Deck Paint being used, and you will never regret it. To be had in ten different shades.
